

“As a business, we like to promote youth activities and we feel that SEBA is an excellent organization to promote youth involvement in sports.”

“First Premier Bank and Premier BankCard are proud of our association with the volunteers and participants of the SEBA organization.

By stressing the importance of sportsmanship, they help shape the future of our young people. We appreciate all the hard work that dedicated volunteers, parents, and SEBA leaders do to provide a recreational and skill development activity for our young people in our community. Baseball provides lessons that last a lifetime. By sponsoring a team, we can play a small part in shaping the future of our young people.”

Team/League Sponsorship Program

## What Sponsorship Provides to the Program...

The Sioux Empire Baseball Association is a 501(c)3 nonprofit youth organization committed to providing adaptive, developmental and advanced baseball programs for all children who wish to participate.

In order to provide baseball that is affordable to all, we rely on sponsorships to help with the costs. The sponsorship program in 2011 assisted the Association in providing baseball opportunities to over 4,000 youth and 277 teams within the city of Sioux Falls.
